Mr John May  
Abingdon Vesper Rotary Club

Dear John,

On behalf of all our groups, I would like to thank you and Abingdon Vesper Rotary Club not only for your regular support, but also for the generous gift of the inflatable life jackets. As you are aware, they are much more comfortable to wear and this obviously means that people will be more likely to wear them – especially children!

The space saving aspect both on the boat and in our storage area is also an issue.

I have forwarded an article with photos to Newbury Weekly News and will let you have a copy of the publicity when they use it. Clashing with Newbury Show was definitely not a good idea from the publicity point of view!

With best wishes

Yours sincerely,

DANESE RUDD  
TRUST ADMINISTRATOR
